meet belle.®

She's there when you need her.

WiFi

WiFi location technology in Belle helps specialists to locate users in an emergency.

Belle® is a small, easy to use emergency pendant that offers you confidence to live life on your terms, and easily get help at home or away from home; anywhere in the US where there is cellular coverage.

Here's how it works...

speaker

It's easy to hear the specialist answer your call with this high quality speaker.

call button

Just press one button to speak with a specialist and get help. It's that simple.

battery light

A small red battery light will notify you that Belle is fully charged or is ready to be charged.

call light

After you press your call button, a small blue light will alert you that your call is being relayed to a specialist.

actual size

microphone

A powerful microphone will allow you to speak with a kind, courteous specialist. They can send emergency help or contact a loved one to assist you.
